

# GB Sponsors Successful Manchester Caribbean Carnival

GB are proud to have sponsored this year's Caribbean Carnival this weekend. Thousands of people turned out for this year's theme of 'Diversity' which included a procession of floats weaving their way through the streets of Moss Side.

Steel bands, dance troupes and the Carnival Queen finished their parade in Alexandra Park where a funfair, market stalls and mouth watering food were there to meet them.

The weekend was a great success and was enjoyed by all who attended including staff from GB and our Chairman Martin Smout. GB looks forward to supporting the carnival's 30<sup>th</sup> birthday celebrations next year.
