

GB Staff Do Their Bit for Sport Relief

Well done to the staff at our Rugby office and our sites at West End Village Stoke and RMHF Northampton who all did their bit in raising money for Sports Relief.

A total of **£132** was raised by taking part in a variety of activities including

a 'dress down day' where people wore either their sports kit or a sports top and jeans

various games including indoor tennis and golf

a cake sale

In particular Dave Rippon got into the spirit of the day and cycled 19 miles to work but then had to do the repeat journey home in heavy rain!!

Well done to everyone who took part and raised money for such a worthy cause.
