

Model Pupils at Royton Hall Primary School

Following the recent story regarding the competition that was set for the pupils at our Royton Hall Primary School to build a scale model of the project similar to the model the site team created in their spare time, we are pleased to say that the judging has taken place. The celebrity judge was Ivor Goodsite who is shown below with the winning pupils and their model which was made entirely of sweets.

Note : The CCS have developed a costumed character called Ivor Goodsite to promote all that is positive about the UK construction industry to a young audience. The hire charge for the Ivor Goodsite costume is £150.00 + VAT, inclusive of the courier costs. All that is needed is to provide a willing volunteer who is a minimum of 5' 10" tall to wear the costume and play the role of Ivor. Fun packs can be provided to give out to any children he meets. These are available for a charge of £1 + VAT per pack. www.ivorgoodsite.org.uk
