

Pupils Delight at Winning H&S Poster Competition at Mid Mosten

Site staff at our Mid Mosten scheme in Manchester attended the local St Dunstan's primary school and presented two lucky girls with new bikes and helmets for winning the H&S poster competition which we ran following a H&S talk given to the school recently.

240 Easter Eggs were also handed out so that the other children did not feel left out.

The local library will display all the childrens posters for a few weeks. The local councillor and the client are over the moon with our recent community work.

Helping present the bikes was Inspector Gareth Parkin from the local constabulary.

Winning H&S Posters
